

# Freddie Hart, Piece Of Heaven

A piece of heaven right here on earth  
Your sweet love you're giving makes me all that I'm worth  
A piece of heaven right here with me  
In this life I'm loving cause an angel lives with me

It's nice to know that I won't have to die to know what blesses  
I know it every time you give your warm and tender kisses

A piece of heaven sent from above  
Though sacredly given was revealed by your love  
A piece of heaven somethind divine  
And seven out of seven days of week heaven is mine  
And seven out of seven days of week heaven is mine
