

# Freddie Hart, Portrait Of A Lonely Man

Paint two eyes filled with tears paint a face that's aged ten years  
Try to paint a heartache if you can  
Paint no smile just a frown paint my world turned upside down  
Paint my portrait as a lonely man

Paint a hurt sad and deep paint the nights that I don't sleep  
Paint a love I let get out of hand  
Paint a heart make it blue filled with pain from wanting you  
Paint my portrait as a lonely man  
Paint a hurt sad and deep...
