

Freddie Hart, Release Me (And Let Me Love Again)

(Let me go let me go let me go)

Please release me let me go cause I I guess don't love you anymore

To live together it's a sin release and let me love again

(Let me love let me love again)

Please release me let me go I'm so lonesome

(Let me go let me go let me go)

I have found a new love dear and you know I'll always want her near

Her lips are so warm but yours are cold release me release me let me go

(Let me go let me go)
