Freddie Hart, Today I Started Loving You Again

Today I started loving you again I'm right back where I've really always been I got over you just long enough to let my heartaches mend Then today I started loving you again

What a fool I was to think I could get by With only these few million tears I cried I should have known the worst was yet to come And that crying time for me had just begun Cause today I started loving you... Today I started loving you again
