

Freddie Mercury & Montserrat Caballe, La Japonaise

Subarashii asaga akeru
Yoakega yobikakeru
Kokorono izumiga wakideru
Yumeno yo

I feel the power of a stranger inside me
A force of magic surrounds me
This fountain within me is overflowing

Peaceful and inviting
Beautiful and enticing

Yoake kisetsu yume kibo
Umito hikariga yondeiru

Rising sun will bless my morning with a smile
A magic pearl from the seas
Born in a willow breeze
Loyal friend my guardian angel in the sky
You've served me well all these years
Greeting with both hands trusting with no fears
Till the end

Toikuino anatani miserarete
Amarinimo utsukushii yumenoyo
Itsumademo ii

Aino hikari kiboto yume

When everything is golden and everything is oh
Fuji no yuki, Kyoto no ame, Tokyo no yoru
And everything is ah

Fire and beauty
My only living treasure on this earth

(Kibo hikari yume)

Asaga hohoemikakeru
Itsumo kimi dakewa kokoronotomo
Toikimino omokage shinonde
Amarinimo utsukushii yumenoyo

When everything is golden
And everything and everyone is ah

Yoake, kisetsu, yume, kibo

Yoake, kisetsu, yume, kibo
Yoake, kisetsu, yume, kibo
Yoake, kisetsu, yume, kibo
