

# Freddy Fender, Wasted Days And Wasted Nights

Wasted days and wasted nights  
I have left for you Behind  
For you don't belong to me  
Your heart belongs to someone else

Why should I keep loving you,  
When I know that you're not true  
And why should I call your name  
When you're the blame for making me blue

Don't you remember the day  
That you went away and left me  
I was so lonely  
Prayed for you only, my love

Why should I keep loving you  
When I know that you're not true  
And why should I call your name  
When you're the blame for making me blue

[Musical Interlude]

Don't you remember the day  
That you went away and left me  
I was so lonely  
Prayed for you only, my love

Why should I keep loving you  
When I know that you're not true  
And why should I call your name  
When you're the blame for making me blue
