Frederick Scott, This Is A Trent Reznor Song

I am Trent Reznor This Is how I write songs Make all my verses sound like this Than I throw some random percussion So you could dance to it Wild guitar Than my voice is getting louder Than I bring it back down It?s almost time to hit the chorus But first listen to this wired sound What the hell whose that?

This Is A Trent Reznor Song Sometimes is very long It goes on and goes on But it's very awesome

This Is A Trent Reznor Song Yeah, It?s still going on Seriously it is the same song But it's very awesome
