

Fredrik Thordendal's Special Defects, Descent to

entering hellbound dominion. acid rain.
human mortification. hades glows red-hot.
howling mind accelerates. trapped in this time-knot.
place there is none: we go backward and forward. and there is no place.
horror or infinity. internal draught
floor a tempest. sanitorium?
who are you? why are you here?
no chemical aid. no keys. no doors. walls or locks.
wing-dipped phoenix. ashes: you asshole!
