

# Fredro Starr, Shining Through

(Sunshine-Chorus)

I see your true color, shinin through  
I see your true color, an' that's why I love you  
I see your true color, shinin through  
I see your true color, an' that's why I love you

(Verse 1: Fredro Starr)

Yo, father forgive, we all tryin to survive where we live  
I'd rather feed the homeless eight times than talk to da kids  
Show 'em life ain't no walk on the bridge  
Damn as hard as it is, when I be dreamin I be talkin to B.I.G  
In my hood it ain't no yellow brick road, we hear the shots echo  
Sneakers hangin from a telephone pole  
In my ghetto aint no rainbow wit pots a gold  
but tha was love from tha family when tymes are cold  
I seen n analyzed tha world from my project roof  
An' seen the hope in tha eyes of a troubled youth  
A good kid, I kept this burna in dis motha goose  
A motherless child,lost in these streets loose  
in the waterworlds away these are rainy days  
My man got popped at an early age  
These cowards run n say he flipped into his early grave  
They say the good die young, we're headed for dem early gates

Chorus

(Verse 2: Fredro Starr)

Yo,they say this love wasnt meant to be  
2 people from 2 different worlds, we wasnt meant to be  
it musta been fate you were sent to me  
we'll make it through these hard tymes, eventually  
tha standard fight,walk by faith n not by sight  
we're all tha same color when you turn off tha lights  
i take tha sunshine with tha pain  
wear my Saraguards sad,dats when it rains  
no fridge, kept tha food on tha window payne  
we all breathe tha same air so we all tha same  
im trapped in this ghetto maze tryna make it out  
if you dont know me dont judge me, wuthcu talkin bout  
im far dividable of ard of tha broken dreams  
single mothas yall my heroes, yall my queens  
to get my moms out tha hood, thats my hope n dreams  
to raise my son to be a soldier by any means

Chorus to Fade
