M.E.T.A.L...

Standing tall for Heavy Metal
For all Eternity
As warriors forever more
United we are Freedom Call

Hail the lord, the God of Thunder
A world of burning steel
If brave of power is rising
It feels like endless steel, endless steel
M.E.T.A.L. - M.E.T.A.L.
See the sign of a holy kingdom
A flaming universe
Return to our paradise, its like coming home

Who will fight for the kingdom?
Our world engraved in steel

A universe on fire
A world in unity
