

# Freeky Clean, School Boy's Boogie

Just another schoolboy  
Always running scared  
I dreamed one day I'd find someone  
To make me happy and glad

Oh no, back then I had to fight  
Street kid's so young and blind  
God knows you couldn't stop me  
Or make me change my mind

I looked outside my window  
Spring's just come to stay  
Everyone seemed so happy, boy  
I couldn't stand the pain

I gotta get this off my chest  
I had no love to share  
Said I was going nowhere fast  
It kinda feels the same

Now I'm sick and tired o' ladies  
And dirty woman blues  
They watch me everywhere I go  
Just like they have to pay back some dues

Ooh no you pretty ladies  
No need to hang around  
Where in the world were you  
When that poor boy was feeling down
