

# Freestyle, Before I Let You Go

I can still remember yesterday  
We were so in love in a special way  
And knowing that you loved me  
Made me feel oh so right  
But now I feel lost, don't know what to do  
Each and every day I think of you  
Holdin' back the tears, I'm trying with all my might  
Refrain:  
Because you've gone and left me standing All alone  
And I know I've got to face tomorrow On my own....  
But baby....

Chorus:  
Before I let you go  
I want to say I love you  
I hope that you're listenin' 'Coz it's true, baby  
You'll be forever in my heart  
And I know that no one else will do,  
yeah So before I let you go  
I want to say it.....

I love you  
Interlude:  
I wish that it could be just like before  
I know I could've given you so much more  
Even though you know I'd given you all my love  
I miss your smile, I miss your kiss  
Each and every day I reminisce  
'Coz baby it's you That I'm always dreaming of...

Repeat Refrain  
Repeat Chorus (except last 3 words)

Bridge:  
Letting love go is never easy  
But I love you so That's why I set you free And I know  
Someday  
Somehow  
I'll find a way To leave it all behind me  
Guess it wasn't meant to be But baby.....  
Repeat chorus (except last 3 words)  
So before I let you go I want to say.....it I love you .
