Freestyle, You Thought

you know today is a new day you see, i'll stab you the back and then sting like a bee, my ride be sit'n on some twenties, you thought you could battle me, while your ride sits on them little three's, its like your jumping in the ring trying to box w/ Ali, just stay in pee wees, you and all them are about same height i can see, you'll never be more then a shadow standing behind me
