ah-uh ah-uh jeah - jeah - jeah lets it go ah-uh ah-uh c'mon ah-uh ah-uh lets it go

painkiller-oh-uh-uh ah-uh ah-uh ah-uh ah-uh

jeah lets it go ah-uh ah-uh painkiller-killer-killer-killer-killer...

I'm reaching in my cupboard for a painkiller ah-uh ah-uh for a painkiller-killer-killer...

You see we work hard play hard man I gotta stay charged can't sleep, tired out trouble on my radar runnin' 'round live wire had anotha red bull everybody's burnin' baby let me come and get a pull isn't it incredible that i'm even still awake still alive still I take poison that debilitates f**k a little line we can go ahead and kill a K livin' in the killer's state maybe that's a good excuse! see me taking shots at the bar like i'm bulletproof now my belly full of juice i'm walking every day with a bruised lip, battered eye, beat up stained liver

ah-uh ah-uh I'm reaching in my cupboard for a painkiller uh uh I need another painkiller uh reaching in my cupboard for a painkiller uh uh uh I need another painkiller they call it painkiller lets it go painkiller uh uh uh I need anotha painkiller uh reaching in my cupboard for a painkiller uh uh uh I need another painkiller uh uh uh I need another painkiller they call it painkiller lets it go

you thought you could take it out but the world collapse and you can't see out of it now you go crazy baby

now we live fast die young wish i never tried none saturated chemical but i don't wanna die mum maybe you could try some no point wasting it first it was a little bit but now i got my face in it run around chasin' it everything is so hot

everybody's screw faced
looking like so raw
pressure and it won't stop
pushing up my heart rate
arguments and attitude
mate you don't wanna start me
listen man i can't wait
now i got a closed fist
woke up shivering and swimming in my own piss
it's just my own risk
a real brain splitta

ah-uh ah-uh I'm reaching in my cupboard for a painkiller uh uh I need another painkiller uh reaching in my cupboard for a painkiller uh uh uh I need another painkiller they call it painkiller lets it go painkiller uh uh I need another painkiller uh reaching in my cupboard for a painkiller uh uh I need anotha painkiller they call it painkiller lets it go

c'mon c'mon painkiller c'mon c'mon

you thought you could take it out but the world collapse and you can't see out of it now you go crazy baby

ah-uh ah-uh painkiller uh uh uh uh i need another painkiller uh ah-uh ah-uh c'mon ah-uh ah-uh lets it go painkiller
