Liz Enthusiasm is my name,  
Wearing funky clothing that will put yours to shame  
Shopping about eighteen hours a day,  
You'll find me in thrift shops or on e-bay  
Furry coat and plastic skirt and platform boots  
Swedie is my puppy dog-we're in cahoots  
Updated F-pop.net today  
But all dressed up to come and play in...

In fancy ties, eye makeup with funny hair  
Synthesizer playing is my trade  
I have the I.Q. of someone in second grade  
I am turned off eighteen hours a day  
The other six are spent pretending to play in...
