

# Frehley's Comet, Do Ya

Well in this life I've seen everything  
I can see woman  
I've seen lovers flying through the air  
Hand in hand  
I've seen babies dancing in the midnight sand  
And I've seen dreams come from the  
Heavenly skies above

I've seen old men crying  
At their own grave sites  
I've seen pigs all sittin'  
Watching pictures slides  
But I ain't never seen nothin' like you

Do ya do ya want my love  
Do ya do ya want my face  
I need it  
Do ya do ya want my mind  
I'm sayin'  
Do ya do ya want my love

Well I've heard the crowd singin' outta tune  
As they sand Auld Lang Syne  
By the light of the moon  
And I heard preachers banging  
On their drums  
And I heard police playing with their guns  
But I ain't never hear nothing like you

Do ya do ya want my love  
Do ya do ya want my face  
I need it  
Do ya do ya want my mind  
I'm sayin'  
Do ya do ya want my love

In the country where the sky touches  
Down on the fields she lay her down to rest  
In the morning sun

They come a runnin' just to get a look  
Just to feel to touch her long black hair  
They don't give a damn

Cuz I aint never seen nothin' like you

Do ya do ya want my love  
Do ya do ya want my face  
I need it  
Do ya do ya want my mind  
I'm sayin'  
Do ya do ya want my love

Well, I think you know what I'm tryin to say woman  
That is I'd like to save you for a rainy day  
I've seen enough of this world to know  
That I've gotta got to get it all  
Get it all to grow on ya

Do ya do ya want my love  
Do ya do ya want my face  
I need it  
Do ya do ya want my mind  
I'm sayin'

Do ya do ya want my love

Oh Yeah!
