

Frehley's Comet, Time Ain't Running Out

Monday Mornin'
The sun wasn't out
You were lazy
The fight last night
It didn't set right
I was hazy
But you were cool, actin' like nothin had happened

Time ain't running out
You hurt me for the last time
and time ain't running out
cuz I'm leavin

The thing with the stare
It just wasn't fair
You rubbed it in my face
And how do I know
When I'm not around
He's not takin my place

I'm done with abuse
Knowing you'll never admit it to me

Time ain't running out
You hurt me for the last time
and time ain't running out
cuz I'm leavin
Time ain't running out
You hurt me for the last time
and time ain't running out
cuz I'm leavin
cuz I'm leavin
cuz I'm leavin
cuz I'm leavin

Maybe someday, not far away
You'll remember this voice
Ooooooooooh maybe you won't
Maybe you can't
But you were given a choice
I was ever so close
But so far away
Do you remember
Do you remember
Could you rememeber
Remember

Time ain't running out
You hurt me for the last time
and time ain't running out
cuz I'm leavin
Time ain't running out
You hurt me for the last time
and time ain't running out
cuz I'm leavin
Time ain't running out
You hurt me for the last time
and time ain't running out
cuz I'm leavin
