

Freiheit, Tell Him Goodbye

I'm dreaming of you and the touch of your hand
What you're doing to me makes me understand
And there's more to my life than just getting through
It was always there but it's always new

Then I open my eyes
And now I know what love is

And baby, I miss you like crazy
And baby, I miss you like crazy
Ooh, I need you today (Ich will dich nochmal)
And baby, I miss you like crazy
And baby, I miss you like crazy
And you can't get away

So tell him goodbye
You don't have to lie
You don't have to cry
Cause my love will be stronger
Alright
I need you tonight
And for so much longer
Alright
So tell him goodbye

And I drift away to another scene
Two people in love on a different screen
It's gotta be me, it's gotta be you
Then one and one is more than two

Then I open my eyes
And now I know what love is

And baby, I miss you like crazy
And baby, I miss you like crazy
Ooh, I need you today (Ich will dich nochmal)
And baby, I miss you like crazy
And baby, I miss you like crazy
And you can't get away

So tell him goodbye
You don't have to lie
You don't have to cry
Cause my love will be stronger
Alright
I need you tonight
And for so much longer
And it's bigger than the both of us
Like on the silver screen
It'll be the greatest love affair
That the world has ever seen
Alright
So tell him goodbye

So tell him goodbye
You don't have to lie
You don't have to cry
Cause my love will be stronger
Alright
I need you tonight
And for so much longer
And it's bigger than the both of us
Like on the silver screen
It'll be the greatest love affair

That the world has ever seen
Alright
So tell him goodbye
(Tell him goodbye)
