

French Montana, Suicide Doors (ft. Gunna)

call her friend
let's have a manage
from the bottom
straight to the top

we chop that work
we got that work
box that work
she got that work
she got that work
my diamonds twerk
them haters hurt when them tables run

Suicide
Suicide
Suicide
Suicide

who got that work
who got that work
come out the dirt
I move that work, dawgh
your pockets hurt
my car got curtains
her pussy squirt
I fucked her like a dog
