

# Frente!, Most Beautiful

wide open eye  
you serious?  
you delirious?  
kissing chaos  
have you got a heart?  
you could really lose it in the  
super - people - mart  
you are the most beautiful thing i know  
and the most beautiful thing is  
when i hear your heartbeat...beat...beat  
will human be dumb and free  
or some amazing catastrophe  
never too scared to bare  
to care to running to the riot  
where the moment meets  
the most beautiful thing i know  
and the most beautiful thing is

something new i dunno why  
i know all there is i know  
something new i dunno why  
i know all there is i know

lalalalalalalalalalalalalalalalaetc.

where is your how?  
holding up your frown  
a prop to stop you smiling now  
heaven or the heather  
or the miracles of weather  
but you listen to  
the most beautiful thing i know  
and the most beautiful thing  
darling  
is when i hear your heartbeat...beat...beat  
is when i hear your heart
