

# Frente!, Not Given Lightly

Hello my friend  
It's morning, time to wake now  
In body, in mind  
Entwined will have to break now  
But I need your flesh  
Your warmth to stay beside me  
Oh how I wish  
You could be deep inside me  
Show me your eyes  
Your low most tender feeling  
And I'll give you mine  
Be truthful and revealing

And it's you that I love  
And it's true that I love  
And it's love not given lightly  
But I knew that it's love  
And it's you that I love  
And it's more than what it might be

When we're alone  
I cannot always face you  
Maybe my mood  
Won't let these arms embrace you  
But that doesn't mean  
My love's somehow diminished  
Give me the time  
To show our love's unfinished

And it's you that I love  
And it's true that I love  
And it's love not given lightly  
But I know that it's love  
And it's you that I love  
And it's more than what it might be

And every word I say is true

What can I say?  
The words destroy all meaning  
There's only cliches  
To get across this feeling

This is a love song  
For John and (?)'s mother  
This isn't easy  
I might not write another

And it's you that I love  
And it's true that I love  
And it's love not given lightly  
But I knew that it's love  
And it's you that I love  
And it's more than what it might be
