

# Frente, Not given lightly

hello my friend  
it's morning, time to wake now  
in body, in mind  
entwined will have to break now  
but i need your flesh  
your warmth to stay beside me  
oh how i wish  
you could be deep inside me  
show me your eyes  
your low most tender feeling  
and i'll give you mine  
be truthful and revealing  
and it's you that i love  
and it's true that i love  
and it's love not given lightly  
but i knew that it's love  
and it's you that i love  
and it's more than what it might be  
when we're alone  
i cannot always face you  
maybe my mood  
won't let these arms embrace you  
but that doesn't mean  
my love's somehow diminished  
give me the time  
to show our love's unfinished  
and it's you that i love  
and it's true that i love  
and it's love not given lightly  
but i know that it's love  
and it's you that i love  
and it's more than what it might be  
and every word i say is true  
what can i say?  
the words destroy all meaning  
there's only cliches  
to get across this feeling  
this is a love song  
for john and Desha's mother  
this isn't easy  
i might not write another  
and it's you that i love  
and it's true that i love  
and it's love not given lightly  
but i knew that it's love  
and it's you that i love  
and it's more than what it might be
