

Frenzal Rhomb, My Girlfriend's A Man

Sure don't bother me
Her androgeny
My girlfriend treats me oh so fine
Yeah she takes care of everything all the time
My girlfriend loves to dine and romance
Well there ain't nothing she needs to enhance
My girlfriend she hangs out with the guys
She definitely is the apple of my eye
I love her so much she's the star of my life
My girlfriend might someday be my wife
Sure don't bother me, your androgeny
My girlfriend has a beautiful smile
My girlfriend runs the fastest mile
My girlfriend is my biggest fan
My girlfriend is a man
I love the way she gets a little rough
She slaps me down when I am acting tough
I love the way she never gives up hope
Without her strength I'd be unable to cope
I know nothing's amiss when you stand to piss
My girlfriend has a beautiful face
My girlfriend lifts me out of this place
My girlfriend has a snow white tan
My girlfriend is a man
Sure don't bother me
Her androgeny
I know nothing's amiss when you stand to piss
I'm gonna love her all I can (my girlfriend is a man)
She's the best in all the lad (my girlfriend is a man)
I'm gonna love her
I'm glad she's not my brother
My girlfriend is a man
