## Frenzal Rhomb, Never Had So Much Fun

I smoked a pack of cigarettes before midday I coughed up a lung around one I can't see a thing through my eyes that sting I can't remember having so much fun

Well I've never had so much fun
No I've never had so much fun
I can't remember when I've ever had so much fun

Can't drink the water in Sydney Can't eat the food in Japan And you can't breath the air in Los Angeles But a million people think they can

And I've never had so much fun
No I've never had so much fun
I can't remember when I've ever had so much fun

These wankers filled up with hatred Why expect any less
They can't decide about genocide I think it's time that they took a rest

And I've never had so much fun
No I've never had so much fun
I can't remember when I've ever had so much fun

I try to compensate blindly for mistakes Try to make things right For all my redemption I've the best intentions But it's always ending up in a fight

And I've never had so much fun
No I've never had so much fun
I can't remember when I've ever had so much
I can't remember when I've ever had so much
I can't remember when I've ever had so much fun
I can't remember when I've ever had so much fun
