

Frenzal Rhomb, Wha' Happened?

Slab of beer and a crooked smile
And a brain that's full of sand
Grown up 1/2 acre block with a dream
of starting a metal band
Dreams are dead
Wha' happened? Wha' happened?
Lost your head
Wha happened to my friend?
So serious so young but so reckless after dark
Buy a house in your parents street
until you pay off your credit card
And I know it seems like yesterday
that we went to the beach
And punched the shit out of some guy
For no reason other than he looked funny
Wha' happened? Wha' happened? Dreams are dead
Wha' happened? Wha' happened?
Lost your head
Wha' happened? Wha' happened to my friend?
