

# Freya, Princess Of Butterflies

Princess Of Butterflies

The first recording of this song was made in Mark's Recording Studio in Copenhagen in May or June

Butterfly kisses and strawberry smiles  
You're ever so pretty and ever so mine  
Raspberry mouths and indigo eyes  
You're ever so lovely and ever so mine

Lucky I'm the Princess of Butterflies  
Princess of Butterflies

So I'll fly with them fly with them  
Fly with my butterfly wings  
I'll fly with them fly with them  
Fly with my butterfly wings ... to Africa

Repeat
