

# Frida, Twist In The Dark

&lt;Twist in the dark  
I twist in the dark  
Love is on the wing  
Concorde  
Seems like a groundhog  
Your face could  
Change everything  
With a phone call  
Like a mad dog  
Well it laid me out  
When you told me you'd slept about  
And now I

Twist in the dark  
I twist in the dark  
Mad reasoning  
Keeps us separate  
Twist in the dark  
I twist in the dark  
My priorities are paradise

Love is in the air  
Those arrows are sharp and narrow  
Your face is in a static state  
In a picture that I captured  
Well I broke down  
When you told me you'd slept around  
And now I

Twist in the dark  
I twist in the dark  
Mad reasoning  
Keeps us separate, baby  
I twist in the dark  
I twist in the dark  
My priorities are paradise

But it wouldn't mean a thing  
If I could only hold you  
Right now, right now  
Finding the train fare  
And the time  
But they're very hard to come by  
If I could kick away the rubbish  
If I could kick it all away

I twist in the dark  
I twist in the dark  
I twist in the dark  
I twist in the dark  
Twist in the dark

I twist in the dark  
I twist in the dark  
Mad reasoning  
Keeps us separate, baby  
I twist in the dark  
I twist in the dark  
My priorities are paradise

Well I broke down  
When you told me you'd slept around  
And now I

Twist in the dark  
I twist in the dark  
Mad reasoning  
Keeps us separate, baby  
Twisting in the dark  
Just mean nothing&gt;
