

Fright Ranger, Oh Oh Oh Sexy Vampire

I forgot to wear my cross tonight
I left my garlic at home
It's so dumb but it's so fun
To wander 'round the city alone
I'm runnin', fallin' down
Chase me all around this town
And now you've finally got me
What am I to do?
Sexy vampire,
I'm falling in love
So just bite me baby
And drink all my blood
Oh yeah
Sexy vampire
I'm falling in love with you
So do what you want to do
Sexy vampire
I'm falling in love
So just bite me baby
And drink all my blood
Oh yeah
Sexy vampire
I'm falling in love with you
'Cause you need my plasma more than I do.
Hey you wanna stop for a drink or two
And maybe for a disco break here
We'll party all night until the sun comes up
You could say I'm raising the stakes.
I'm runnin', fallin' down
Chase me all around this town
And now you've finally got me
What am I to do?
Sexy vampire,
I'm falling in love
So just bite me baby
And drink all my blood
Oh yeah
Sexy vampire
I'm falling in love with you
So do what you want to do
Sexy vampire
I'm falling in love
So just bite me baby
And drink all my blood
Oh yeah
Sexy vampire
I'm falling in love with you
'Cause you need my plasma more than I do.
