

# From Autumn To Ashes, Long To Go

Believe it or not the notes are trying to talk to me  
I've got to applaud such valiant efforts  
It's not always the party that it seems to be  
It can be a complete debacle  
This is not the most routine 9-5 you see  
There are some occupational hazards  
Perhaps you'll try to save my spot?  
Just until the album drops  
Then I'll be at the Capri shop  
Adjacent to the graham L stop  
Believe it or not we're not the ideal guys to date  
So I guess I'm a risky decision  
But you did not write me off, you knew that I could change  
So I'm studying my guide to safety  
It's so hard to tell if this is an artistic achievement  
Or am I singing for obligation  
When all I want is to feel my heart rate  
Accelerate, and we accelerate
