

From First To Last, Christmassacre

All I got this year
Was this lousy head to tear
Presents wrapped with greed
Turn your back and walk away

Merry fucking Christmas!
Give it away!
Merry Fucking Christmas!
Give it away!

All I got this year,
was a fucking head to tear.
Presents wrapped with greed,
turn your back and walk away.

Merry fucking Christmas!
Give it away!
Merry fucking Christmas!
Give it away!
Merry fucking Christmas!
Give it away!
Merry fucking Christmas!

Don't forget your Christmas cheer.
'Cause Santa's going to die this year.
Santa's going to die!
Santa's going to die!!

All I want this year,
is a model and a beer.
My queen will rule you all,
fuck this world and deck the halls.

Don't forget your Christmas cheer.
'Cause Santa's going to die this year.
Santa's going to die!
Santa's going to die!
