..Kill the lights

Hello, ladies and gentlemen,

I'm glad you've graced me with your presence

You're in time to see me wrestle with my conscience

And staring in the si-si-si-silence

Fill these 50 persons with a purpose,

But don't just give it away

Inspiration isn't cheap these days,

You better make them earn it

You better make them earn it, make them earn it!

You better make them earn it, make them earn it!
