

From First To Last, Waves Goodbye

There's an ocean out my window
There's beauty in its tears
There's an ocean out my window
It's crashing in my ears

Oh, sea, your shelter
You dance between my toes
When I feel like I can't move forward
You carry me like a father

Breathing is the hardest thing I do
I'm not the only person in the room
It's hard for me, to feel like I'm perfect
