

# Front Line Assembly, Division Of Mind

~~~~~  
Hardened disciple  
Feeling no pain  
World domination  
A restless day  
A new dimension  
A fatal impact  
Disturbed conditions  
Terror reigns  
Chorus:  
Pleasure constricts us  
That is the way  
Empty perversion  
Crippled by fate  
Hostile aggression  
Resentful mentor  
Our strength is growing  
We're here to stay  
Unseen alliance  
The sun is blackening  
Memories fading  
The final impact  
(Chorus)  
The skin starts tearing  
Exposed the weakness  
A piercing blunder  
Holds no restraint  
Diverse communion  
New revelation  
A shrouded mortal  
Bleeds all day  
(Chorus)  
(Chorus)
