

Front Line Assembly, Internal Combustion

~~~~~  
&quot;Had a bad childhood? We can fix it. Re-sculpt your memory, shorten your  
perception of . Why not?&quot;  
&quot;Oh my God! [moaning]&quot;  
Feeling like a ????  
Severing from this realm of life  
The enemy is on your back  
An ???? implanted form  
????? justify  
&quot;Helpless....&quot;  
&quot;????&quot;  
The enemy is ????  
????  
????  
The angels ?????  
??? crashes through the cell  
Democracy self-destructs  
??? fallen cause  
Its time to pay them back  
&quot;They shoot him&quot;  
&quot;Where?&quot;  
&quot;In the lung&quot;  
&quot;??? in the resurrection&quot;  
Chorus:  
????  
????  
In their eyes  
Perception appears  
Broken force  
Scratches their faith  
Crippled hysteria  
The laughing pain  
???? affects the realm of hope  
and ??? our self-conviction  
We heal your faith  
With chemicals,  
You help the victims  
??? affects warnings  
The best of two evils  
&quot;The gunmen had picked their victim completely at random&quot;  
&quot;They were attempting to increase and spread the terror&quot;
