

# Frou Frou, Close Up

Is this a feeling of something  
About to happen,  
Like snapping out of something I didn't realize I was in.  
Was I sleeping?  
What?  
How can you be so sure  
If you've never been here before?  
I don't understand...  
It can't be that easy.

I love you, I hate you, I love you, I hate you.  
I can't keep my hands off you.  
I love you, I hate you, I love you, I hate you.

Chorus  
Get back, get away from them.  
It's all wrong.  
Keep calm for a moment.  
Look in my eyes.  
Get back, get away 'cause  
This could get ugly.  
If you think that i'll let you go,  
You're out of your mind.

Oh my god,  
I'm not supposed to say this  
I know that you're trouble but...  
Is that your real name and why are you doing this?  
And how did I get here?  
Ok...no more questions,  
No worries.  
It's destination unknown  
So dive in;  
The waters great.  
Listen I'm starting to speak like you.

I love you, I hate you, I love you, I hate you.  
You can do no wrong.  
I love you, I hate you, I love you, I hate you.

Chorus  
Get back, get away from them.  
It's all wrong.  
Keep calm for a moment.  
Look in my eyes.  
Get back, get away 'cause  
This could get ugly.  
If you think that i'll let you go,  
You're out of your mind.
