

Frou Frou, Shh

Sunbeam, stop tugging me
Pull that door shut quietly
Darling, what are you doing?
We don't have time for this

Mmm dey mmm da mmm daaeoo
Mmm dey mmm da mmm daaeoo

Crazy well what are you then
Give me an hour and I'll give you your dream...

Don't make a sound
Shh listen
Keep your head down
We're not safe yet
Don't make a sound
And be good for me
'Cause I know they're waiting somewhere out here

Leave it I won't go back
We have to do it 'cause there's nothing left here
Don't care what do they know
I've seen it, baby, and I know it's real
Showtime, I knew they'd come
Woa, are we having fun or what?

Yeah...

Don't make a sound
Shh and listen
Keep your head down
We're not safe yet
Don't make a sound
And be good for me
'Cause I know they're waiting somewhere out here

I feel good all over
I feel good all over
I feel good all over

Wear your inside out
