

FT Island, Always Be Mine

hear you breathe your lying close to me
the shadow's gone I enfold my peace (?)
You make me calm with you I'm safe and warm
Enlight by yoursides are strength to the night till eternity that's the way it will be
And I wonder what you're dreaming of
You're so peaceful when you sleep
Everything I want everything I need
Is lying here, in front of me
Oh yeah
And if I ever lose my power to fly
Then your love takes me high
I always fiddle to you
Sometimes I think I might lose that all
Cause the chances so small
Cause ypu hold me close
I feel you near don't let go say you always be here
Just hold me tight and I'll be fine dreaming
You will always be mine
Just like the song
you make me warm inside
like a soft summer breeze
a moment to see so true
I won't stop loving you
And I wonder what you're dreaming of
You're so peaceful when you sleep
Everything I want everything I need
Is lying here, in front of me
Oh no
And if I ever lose my power to fly
Then your love takes me high
I always fiddle to you
Sometimes I think I might lose that all
Cause the chances so small
Cause ypu hold me close
I feel you near don't let go say you always be here
Just hold me tight and I'll be fine dreaming
You will always be mine
And I wonder what you're dreaming of
You're so peaceful when you sleep
Everything I want everything I need
Is lying here, in front of me
And if I ever lose my power to fly
Then your love takes me high
I always fiddle to you
Sometimes I think I might lose that all
Cause the chances so small
Cause ypu hold me close
I feel you near don't let go say you always be here
Just hold me tight and I'll be fine dreaming
You will always be mine
Dreaming
You will always be mine
