

# Fu Manchu, Let Me Out

Stay where you are,  
and you'll be like the others.  
Last time you said,  
what you want and you suffered.  
Read what they write,  
time will tell they discovered.  
Fear in their eyes,  
taken down one another.

-Let Me Out-  
Everything I've told you  
Everything I Say  
-Let Me Out-  
Back in the time when,  
I Remember those days  
-Let Me Out-

Who will trust when you hear  
you've got nothing  
New way of life and you feel  
you've got something  
Find another way as you look  
over your shoulder  
Once you understand no turning  
back, it's all over

-Let Me Out-  
Everything I've told you  
Everything I Say  
-Let Me Out-  
Back in the time when,  
I Remember those days  
-Let Me Out-

Let Me Out!  
Let Me Out!  
Let Me Out!  
Let Me Out, Now!  
Let Me Out, Now!  
Let Me Out, Now!  
Let Me Out, Now!
