

Fu Manchu, Ojo Rojo

She wanted nothing! and I delivered! *(the best lyric!)
drawin aces.. down the river
my car.. I could give her
shine that, back down the river
man of leisure 'round town
dull nova, primed and brown
smoke's coming out of the back
wish I had.. my cadillac
I revved it up.. hundered and one..
KANSAS CITY.. HERE I COME!
The meter said one nintey five
HEY LADIES! WANT A RIDE?
WANT A RIDE?
WANT A RIDE?
