

# Fu Manchu, Seahag

Ridin' high  
Seein' far beyond this time  
Speed demon rollin'.. to the tune of ninety-five  
Through another mountain ...barracuda on my side  
I heard this story told  
'Bout a half a million time

Eight feet wide  
Burnin' a path half it's size  
Gone without a trace  
Surveying all mankind  
Full-speed ahead  
I Hear it start to grind  
Never heard a sound  
Like it in my life

Im movin' in a freak show (Or... &quot;Im living in a freak show&quot;)  
I sink down low  
Got a rail ridin'  
Im King of the road!!!
