Fu Manchu, Solid Hex

Runnin' a motor live-shoot through in time Hustle a fortune give-straighten the side Chort movin all-burnin' in mind Well past the start-I'm given' up this time

I know...right on time I know...checkin' the line I know...right on time I know...

Sit there in hiber sound-spacin' a fall Burnin' a handle thin-don't mind at all Believe I seen it now-leavin with more With all of them wrong-still givin' ya for

I know...right on time I know...checkin' the line I know...right on time I know...
