Fu Manchu, The Action Is Go

Hold still the sight When it falls down Came back to life I see No one around

Like I said (x 1000)

Look 'em in the eye For a minute or two Of course that was all they saw Nothin' left for you

Like I said (x 150090)

Most of them knew What they had read Objects from underneath

Was like I said (x 456236783) (I thought it was "Pause like I said".. but thats gay)
