

Fucked Up, Colour Removal

you can't change it.
oscar nomination pat
yourself on the fucking back
you cleansed it up for the family
took out every lesson to be made
convinced it never happened try
and skew all the fucking facts but
the simple truth remains evidence.
is contrary to that but you cant change
it because it happened this way you can
polish that skitty past for so long that
you'll start to see yourself in it.
it's unbelievable you're the devil.
