

# Fucked Up, Manqueller Man

Innocent wives all alone with the knives put the kids to bed turn  
the world on it's head spreading wide to provide stick the madness  
inside come and wallow the girth give birth to the earth manqueller  
man two sides are aligned be entwined or maligned be sick or be well  
and still go to hell be a saint or a stain be a boon or a bane every act  
just a truce with the damned reproduce the scum of the earth  
manqueller man lowest from birth manqueller man kin of the damned  
manqueller man no one understands manqueller man quarantine the  
obscene and the slime from sublime be a stick or a stone give the violence  
a home be a goat or a lamb a coward or a man there's by one path  
to take to end up in the same place.
