

Fucked Up, Manqueller Man

Innocent wives all alone with the knives put the kids to bed turn
the world on it's head spreading wide to provide stick the madness
inside come and wallow the girth give birth to the earth manqueller
man two sides are aligned be entwined or maligned be sick or be well
and still go to hell be a saint or a stain be a boon or a bane every act
just a truce with the damned reproduce the scum of the earth
manqueller man lowest from birth manqueller man kin of the damned
manqueller man no one understands manqueller man quarantine the
obscene and the slime from sublime be a stick or a stone give the violence
a home be a goat or a lamb a coward or a man there's by one path
to take to end up in the same place.
