

# Fuel, Wasted Time

Say it to my face  
Look me in the eyes  
And say what you have to say  
You know we can't erase  
These words before they bind  
And turn the final page

Ah, here comes alone again

Coz everything's broken  
everything's vacant  
everything's wasted time again  
Sentiments, hopeless  
Innocence, jaded  
everything's wasted time again

And so we leave this stage  
And all our best written lines  
and all the acts we played  
so, say you want to leave  
and say we'd never have  
the way we always hope and we'd cry

And say hello to alone again

Coz everything's broken  
everything's vacant  
everything's wasted time again  
Sentiments, hopeless  
Innocence, jaded  
everything's wasted time again

Someday we might find  
(someday we will find)  
some sacred place in time  
(yeah, in time)  
but until then  
all will share  
our dreams we left behind
