

# Fugazi, Do You Like Me

Your eyes like crashing jets  
Fixed in stained glass  
But not religious  
You should pay rent in my mind  
Say like the french say bon soir regret a demain  
Do you like me I guess  
White witness moves to petition the state of virginia for 27 prisons  
While in bethesda an office flaming youth group singing  
Firemen calling in  
Lockheed lockheed martin marietta  
Do you like me I guess  
End of the lesson time for one question  
End of the lesson time for one more question  
I got a question.  
Do you like me
