

# Fugazi, Ex-spectator

looking out for cars and mortality trying to find some sort of geometry  
avoiding mistakes keep an eye on every step i take  
everything is building and it appears that you're all architects and engineers  
that's how it looks that's how it looks from here  
i'm an ex-spectator can't you see  
i'm an ex-spectator never let me, never let my, never let my vision get in the way of  
here's some questions that the writer sent  
can an observer be a participant?  
have i seen too much?  
does it count if it doesn't touch?  
if the view is all i can ascertain pure understanding is out of range  
if i make that call why can't i make that change?  
i'm an ex-spectator can't you see?  
i'm an ex-spectator never let my never let my vision get in the way of me
