

# Fugazi, Returning The Screw

A fine disservice  
Deceptive, too  
Check for the sender  
Sender was you  
Caught me wide open  
No simple burn  
This is complicated  
Calls for return  
Fine disservice  
Intended, too  
Check for the sender  
Sender was you  
The point has been recorded,  
The malice has been revealed  
When I stripped away the humor  
From the arrow it concealed  
Sharpened and soaked in urine,  
It was meant to spread disease  
But now discovered  
Becomes the sweet antithesis  
Returning the screw  
It comes back to you
