

# Fugazi, Song Number 1

Song number one is not a fuck you song  
I'll save that thought till later on  
You want to know if there's something wrong?

It's nothing  
It's nothing

Everybody's talking about their hometown scenes and  
Hurting people's feelings in their magazines and  
You want to know what it all means?

It's nothing  
It's nothing

Fighting for a haircut?  
I say, grow your hair  
Crying for the music?  
Well, I doubt you really care  
Looking for an answer?  
You can find it anywhere

It's nothing  
It's nothing

Life is what you want it to be so  
Don't get tangled up trying to be free and  
Don't worry what the other people see

It's nothing  
It's nothing  
(repeat to end)
